PREPARATION CELI B1

The purpose of this 40 hours long course is to acquire, with the help of a professional teacher, the required linguistic competences to reach B1 level in italian language and pass the CELI exam in order to obtain italian citizenship.

The 40 hours of classes will be structured in:

Unit 1 (10 h): revision, reinforcement and training on the main italian grammar structures in context

Unit 2 (10 h): how to approach to the CELI exam structure, understanding and use of specific social and work italian vocabulary, reading and text comprehension techniques

Unit 3 (10 h): active use of italian grammar and syntax, writing about daily life situations

Unit 4 (10 h): speaking, pronunziacion, interaction with the examiner, CELI exam simulation and correction
